

Mini camera IP Full HD 1080p pour objectifs megapixels monture M12x0.5

- 1/2.8" Progressive Scan CMOS Sensor
- 1920x1080p, 2.0 Megapixel resolution
- P2P cloud, IOS/Android APP view
- H.264 Compression,
- Support Onvif Protocol
- M12 x 0.5 interchangeable fixed lens
- DC12V Power
- Small size 41 mm x 41 mm
- Certification: FCC, CE, RoHS

Model Specification	IP-600
Image sensor	1/2.8" 2.0 Megapixels CMOS Image sensor
Lens	3.6mm (standard) – 2.4 mm, 6 mm, 8 mm, 12 mm, 16 mm, 25 mm (options)
Iris	Fixed iris lens
Day & Night System	Auto
Video Compression	H.264
Video compression rate	32Kbps~8Mbps
Audio	N/A
Image Resolution	1920x1080, Full HD 2MP
Frame Rate	30fps (1920x 1080)
Image setting	Brightness, contrast, saturation, hue, etc can be adjusted by IE browser
Network	
function	Support NVR, P2P Cloud, mobile phone view Android & IOS
Intelligent Alarm	Motion detection
Support	TCP/IP, HTTP, DHCP, DNS, DDNS, RTP, RTSP, PPPoE, SMTP, NTP, UPnP, SNMP, HTTPS, FTP
Protocol	ONVIF
Communication Interface	1 x RJ45 10M/100M Adaptive Ethernet port
General info.	
Working	-10°C~60°C, Humidity less 95% (no condensation)
Weight	160g
Dimension	41 x 41 mm x 30 mm (without lens)
Power Supply	DC12V±10% (POE optional)
IP Rating	IP55 Indoor using

Cable length 60 cm
No connector on the camera rear face
