

Switch POE

Modèle	Image	Désignation	Description
ND-PSN1104-60		5CH POE Switch	<ul style="list-style-type: none"> *Non manageable *Compatible IEEE802.3af/at,IEEE802.3az *5 X 10/100Mbps RJ45 port *4 X PSE port, Output power up to 55Watt *CE/EMC,CE/LVD,FCC Certification *Testing: Sifos, Lightning Surge 4KV,NuStreams-600i *Alimentation externe
ND-PSN1108-90		8CH POE Switch	<ul style="list-style-type: none"> *Non manageable *10 *10/100Mbps RJ45 Ports;8 PSE Ports(Port1~8); *Complies with IEEE802.3af/at Power over Ethernet; *Supports PoE Power up to 32W for each PoE port; *Auto detect power device; PoE Overload Alarm LED, *Power total budget 90Watt. *Alimentation externe
ND-PSN1108-120		8CH POE Switch	<ul style="list-style-type: none"> *Non manageable *10 *10/100Mbps RJ45 Ports;8 PSE Ports(Port1~8); *Complies with IEEE802.3af/at Power over Ethernet; *Supports PoE Power up to 32W for each PoE port; *Auto detect power device; PoE Overload Alarm LED, *Power total budget 120Watt. *Alimentation externe
ND-PSL1108F-150		8CH LCD POE Switch	<ul style="list-style-type: none"> *LCD Display,Non manageable *Compatible IEEE802.3af/at,IEEE802.3az *8 X 10/100Mbps RJ45 port *8 X PSE port+2 X gigabit Combo port *8 X PSE port. Output power up to 140Watt *CE/EMC,CE/LVD,FCC Certification *Testing: Sifos, Lightning Surge 4KV,NuStreams-600i *Alimentation interne
ND-PSL1116F-260		16CH LCD POE Switch	<ul style="list-style-type: none"> *LCD Display,Non manageable *Compatible IEEE802.3af/at,IEEE802.3az *16 X 10/100Mbps RJ45 port *16 X PSE port+2 X gigabit Combo port *16 X PSE port. Output power up to 250Watt *CE/EMC,CE/LVD,FCC Certification *Testing: Sifos, Lightning Surge 4KV,NuStreams-600i *Alimentation interne
ND-PSL1124F-330		24CH LCD POE Switch	<ul style="list-style-type: none"> *LCD Display,Non manageable *Compatible IEEE802.3af/at,IEEE802.3az *24X 10/100Mbps RJ45 port *24 X PSE port+2 X gigabit Combo port *24 X PSE port. Output power up to 300Watt *CE/EMC,CE/LVD,FCC Certification *Testing: Sifos, Lightning Surge 4KV,NuStreams-600i *Alimentation interne
ND-PSM1108F-150		8CH web manageable POE Switch	<ul style="list-style-type: none"> *WEB manageable *Compatible IEEE802.3af/at,IEEE802.3az *8X 10/100Mbps RJ45 port *8 X PSE port+2 X gigabit Combo port *8 X PSE port. Output power up to130Watt *CE/EMC,CE/LVD,FCC Certification *Testing: Sifos, Lightning Surge 4KV,NuStreams-600i *Alimentation interne
ND-PSM1116F-260		16CH web manageable POE Switch	<ul style="list-style-type: none"> *WEB manageable *Compatible IEEE802.3af/at,IEEE802.3az *16X 10/100Mbps RJ45 port *16 X PSE port+2 X gigabit Combo port *16 X PSE port. Output power up to 240Watt *CE/EMC,CE/LVD,FCC Certification *Testing: Sifos, Lightning Surge 4KV,NuStreams-600i *Alimentation interne
ND-PSM1124F-330		24CH web manageable POE Switch	<ul style="list-style-type: none"> *WEB manageable *Compatible IEEE802.3af/at,IEEE802.3az *24X 10/100Mbps RJ45 port *24 X PSE port+2 X gigabit Combo port *24 X PSE port, Output power up to300Watt *CE/EMC,CE/LVD,FCC Certification *Testing: Sifos, Lightning Surge 4KV,NuStreams-600i *Alimentation interne
